Grand Knight's Message

January 2009 marks the half way point of the Golden Anniversary year for Trinity Council and we are well on our way to having another banner year. Due to the fine work of many of our members and the members of the Auxiliary, we have been able to celebrate our historical past and at the same time continue the charitable work that we are called to do.

Special thanks to all who have put considerable time into the planning and running of the celebratory events that have already taken place including our Pig Roast and the beautiful 50th Anniversary Masses that we celebrated with our parishes. Wonderful events such as these don't just happen, they take considerable planning and effort and I would like to sincerely thank all those who have made these events possible. In addition, I would like to express my appreciation to all those who continue to work on the planning of our 50th Gala which will take place in April. This event will be a wonderful culmination to our celebration of our service to our church and community. I strongly encourage all of you to join our Bishop and our state level K of C officers as we spend an evening celebrating all that has been accomplished.

On the council side, our ongoing efforts to improve our financial accountability and new initiatives related to membership retention are starting to show a return. Through gallant efforts by PGK Tom Freundsuh and the other members

of the Retention committee, contact has been reestablished with a number of members who wish to become re-involved in the council and at the same time we have honored the wishes of a small group who wish to be removed from our rolls. As we all know, a strong council is built around involved members, not the number of members on a list. To those returning, welcome back and we look forward to seeing you at upcoming council events.

As always, our top priority continues to be maintaining the high quality charitable work that this council is known for. Already this year we have helped the disabled through our support of the Pierce Street home and our two wonderful FLDDSO parties. We have supported our widows through a beautiful Deceased Member Mass and Breakfast and our Poinsettia delivery program. Our hard working bingo and bell jar workers continue to raise much needed charitable funds that the council officers have the privilege of distributing to organizations that we partner with to help the needy in the community and to support our veterans as they return home. We continue to spread the Lord's Good News through the support of our "Catholic Books in Libraries" program that Brother Knight Ron McNinch started two years ago. More recently we have recommitted our council's support to our seminarians through our participation in the K of C, RSVP (Refund Support Vocations Program) where we financially support one of our Diocesan seminarians. For the next four years we will be financially assisting and spiritually supporting, Zach Enes,

continued on next page

who is currently in the midway through of his first year of Theology studies at Theological College in Washington, D.C.

And the list goes on and on and there is so much more to do. I encourage you to get involved and help out that small group of men and women who take on so many of these challenging but very rewarding tasks that help keep us a leading council in the New York State.

Peace,
David Uerz, Grand Knight

Trinity Council Assisting Mt. Carmel Food Cupboard

It has been decided that Trinity Council will take on another worthy cause – The *Mount Carmel Food Kitchen*. Mt. Carmel is located in the inner city and is administered by *Sr. Karlein Bach*. Her doorbell rings day and night by children or adults asking for food or basic needs. She rations out just enough to go around and yet still provide. They could use our help.

It is our hope that as we meet monthly for our dinner meetings, that we think also of people in need of basic nutritional and hygienic items that we can bring along for collection.

Dan and Margaret Milner are taking responsibility to deliver our donations and can be reached at **671-4391** to answer questions and provide additional information and suggestions for personal contributions.

I was thinking what a wonderful way to bring in the New Year with special gifts for Birth Right. Jesus has just been born an infant on Christmas and so we cloth the other infants born during this time. Remember all those children born into difficult times, pray for the parents, children and all the people who help make sure our precious infants have a chance at life. The Road to 70 Barrett Drive

Part 1 of 2

Tom Freundschuh

Editor's Note: As we celebrate our 50th Anniversary, Historical Committee Chairman, Tom Freundschuh, is submitting articles that provide our readership with important facts of our history.

The membership of Trinity Council always wanted it's own place, they could call home. Most often, the sheer lack of money had us rescind from our aspirations. Our fortress at 70 Barrett Drive was a long time in coming, and the opening of it's doors will be highlighted in Part II of this article, featured in the February 2009 Compass. First, a look back.....

There is much to gain from a historical perspective with Trinity Council why our own place was important. Like many infant councils our roots began around church facilities. From our inception in July 1958 to March 1973, Holy Trinity Hall was the foremost activity center. The Barn at St. Rita's also proved invaluable when Holy Trinity was unavailable or provided a more proper setting. This is not to say that these dwellings were inclusive. Many gatherings (dinner meetings) particularly in the early to mid 1960's took place in many local eating establishments; Andy's Inn, the Stage Coach Inn, the Heritage House, Happy Acres, too name a few. It was not until 1967 that the school auditorium at Holy Trinity became a more familiar meeting place. That particular year PGK Tom Seward cooked up a storm and the dinner fee was \$1.98! Wow, even though Trinity Council today averages sixty participants for a monthly dinner meeting, I wonder what the average would be for that price!

Trinity Council's notoriety amongst other local councils and zest for charita-

ble works grew early and often in our first ten years of existence. A second to none, Valentines Day Dance, Oratorical Contest, Boy Scout sponsorship, Communion Breakfasts, Hill Haven, Cartoon shows where the price of admission was canned goods that in turn, went to the Holy Angels Home and Carmelite Monastery. All of these events and much more had our council yearning for it's own place.

The first recognition of the council finding it's own home dates back to March 1966 when the Doll House Restaurant was looked at on Empire Boulevard. With the council and it's resources just being seven years young, the price was out of reach.

Attaining the council's mainstay goals of charity and the eventual realism of our own home meant finding new ways to raise funds. Just like any other good church group, can you spell B-I-N-G-O???? Trinity Council's first games (with our own license) were October 13, 1967 at the Grange Hall in the village of Webster where they remained until November of 1970 when they moved to Holy Trinity Hall, which had better seating and lighting.

With renewed vigor and some additional funds now, one of the most significant dates in our history is Sunday, March 19th, 1972. On this date, the council members voted and approved to form a Non-Profit Corporation, called the Webster Columbus Center, Inc. Two weeks later at the April 1972 membership meeting the inaugural officers and directors of the Webster Columbus Center were elected. Serving at the helm were President Bill Lochner, Vice-President Dr. Peter Pellitteri, Secretary Robert Stein and Treasurer Ken Blind. Serving as directors were Donald Boehm, Deke Beh, Joe Fox, Bill Wilkerson, Stan Bileschi, Bill Schrieber and Harry Roberts.

The first property that the WCC board sought to obtain was the vacant Meth-

odist Church at 75 W. Main Street in June of 72'. You may be familiar with it, currently housed there is Maria's Mexican Restaurant. Unfortunately, the board's bid was topped by a higher one which the owners accepted.

What came next was a flurry of activity as over 1800 council man hours of labor went into remodeling the 1st floor of the Schaeffer Ross Factory building at 82 East Main Street. This included the donation of all of the draperies by our Auxiliary. Notice, I did not build your excitement up more here. Even though it was our own space, it was rental and not owned, yet all of our functionality (meetings, bingo, events, etc.) was now under one roof. The positive side to this temporary abode was the fact that beginning March 1st, 1973 when we opened the doors, through many great social parties, fish fry's and acts of Columbianism, we grew as a family, in numbers and most of all camaraderie; or in Knight talk, unity.

The negative side to our space was the age of the building and its amenities. The roof leaked so bad we almost rented the place for catered swim parties. The heating system died, and who would have to pay to get it fixed?? Our rental space also lacked parking, which, due to our council being so popular, on many occasions caused innumerable differences with the landlord, the factory store and the fire marshal.

I recently mentioned camaraderie and unity. Still forthright with our original plan, our bonding and perseverance prevailed. On October 14, 1977 the Webster Columbus Center, INC closed on 1.4 acres of land at 70 Barrett Drive. Purchase price was \$35,000.

Now you know part 1, of the rest of the story. Until next month.....
